TechnipFMC Awards Significant Subsea Contract for Equinor's Irpa Development

NEWCASTLE & HOUSTON, February 16, 2023 — TechnipFMC (NYSE: FTI) has been awarded a significant⁽¹⁾ contract for subsea production systems by Equinor for its Irpa oil and gas development on the Norwegian Continental Shelf.

Awarded under the companies' framework agreement, the contract covers the supply and installation of subsea trees, control systems, structures, and connections, as well as tooling.

Jonathan Landes, President, Subsea at TechnipFMC, commented: "This project will utilize our standardized production system, which was designed to meet the specific demands of the Norwegian Continental Shelf. The award demonstrates Equinor's confidence in our technology, quality, and ability to deliver. We're delighted to continue supporting them."

(1) For TechnipFMC, a "significant" contract is between \$75 million and \$250 million.

Forward-Looking Statement

This release contains "forward-looking statements" as defined in Section 27A of the United States Securities Act of 1933, as amended, and Section 21E of the United States Securities Exchange Act of 1934, as amended. The words "expect," "believe," "estimated," and other similar expressions are intended to identify forward-looking statements, which are generally not historical in nature. Such forward-looking statements involve significant risks, uncertainties and assumptions that could cause actual results to differ materially from our historical experience and our present expectations or projections. For information regarding known material factors that could cause actual results to differ from projected results, please see our risk factors set forth in our filings with the United States Securities and Exchange Commission, which include our Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K. We caution you not to place undue reliance on any forward-looking statements, which speak only as of the date hereof. We undertake no obligation to publicly update or revise any of our forward-looking statements after the date they are made, whether as a result of new information, changes in our business, or otherwise.
